### SEASON 1952-1953

# BACKGROUND

For the past 30 years the present owners of Lowell H. McGee Nurseries have been associated with the trade as growers and dealers of nursery stock. At no time have we been better supplied and equipped to handle your business to your satisfaction. We sincerely hope we have been able to keep our prices in line with quality and service you would reasonably expect.

To those who have bought from us in the past we take this opportunity to thank you. To those who haven't bought from us we ask that you give us a trial. It will give us the chance to prove that we expect to be a dependable source for good quality stock. Just do not be too late with your orders as we do not like the idea of writing that "we are sorry". And there is no substitute for what you really need.

When in the McMinnville area, look us up and look us over. Our office is in the corporate limits of McMinnville on State Highway 56, or Beersheba Rd., and we are "just across the bridge". We will be expecting you.

## TERMS

2% and free packing when CASH IN FULL is sent with order. On C.O.D. shipments you must send a deposit of at least 25% and packing will be charged at cost. Reservations where no account has been established must be accompanied by 25% of the total order. To established accounts; 2% in ten days and thirty days net with packing charged at cost. To become established, please send proper trade and commercial references and allow time to investigate. No telephone or telegraph orders filled unless confirmed by mail, except to established accounts.

## CONDITIONS OF SALE

All quotations in this list are based on our supply and conditions of stock when list is printed and will be subject to changes, supply being exhausted, or any shortage beyond our control, and we reserve the right to reject all or any part of your order, refunding any payments made.

No claims for errors, shortages, etc., will be considered unless made specifically within ten days after receipt of stock. Stock damaged in transit due to delays or neglect of the common carrier must be made directly to them as we assume no risk in shipment. Any help we are able to give to establish such claims will be gladly given for the asking.

Please be specific as far as possible as to mode of shipment. If left to us we will use our best judgement and assume no risks. We do not recommend Parcel Post shipment of live plants unless especially packed for this method. The extra packing and postage must be paid by the customer so please send 50% extra and we will refund any difference.

We take the greatest of interest in sending you only true-to-name stock and will be glad at any time, upon proper proof to replace anything that may prove otherwise, but at no time will be held responsible for more than original cost.

10 to 50 plants at the 10 rate; 50 to 500 plants at the 100 rate and 500 or more plants at the 1,000 rate. This applies to all of any variety or size.

A certificate of inspection will accompany each and every shipment.

## ORNAMENTAL TREES & TREE SEEDLINGS

---

We believe you will be pleased with the trees you buy from us. Although we are not able to supply heavy landscape material you will find a ready market at a profit for the BRANCHED grades we offer. These grades will be liberal, well furnished trees in the sizes offered.

In order to supply the demand for liners of better quality at a reasonable price we are also offering in addition to our regular run of seedlings a selected quality of whips or lightly branched stock. These little trees are all selected as to uniformity, both roots and top, and should supply the demand for the most critical as lining out stock that will develop in a minimum of time.

In our regular seedling (S) grade we are careful to eliminate all broken or culls or plants that are not good enough to grow into a first class tree. We want to please you and believe that our efforts will be appreciated.

3 to 4 ft. branched .....	7.50	60.00	
4 to 5 ft. branched .....	10.00		
5 to 6 ft. branched .....	15.00		

Quantities of the 2 larger sizes of Dogwoods are limited but we have a fair supply of all other grades listed. All branched grades have been carefully trimmed to shapely trees.

**CORNUS FLORIDA RUBRA, Pink Flow-  
ering Dogwood**

12 to 18 in. branched .....	12.50	100.00
12 to 18 in. branched .....	12.50	100.00

## HEDGE PLANTS

Due to a strong demand last season, for even the smallest liners, some of the stronger grades will not be in our listing of this class of stock. But we are very fortunate to be able to offer you some of the choice young stock being produced in this area. In fact many of our past customers inform us that such stock serves its purpose to their complete satisfaction, since the first cost is not as heavy, the transportation and packing charges are less, their profits are good, and results to their customers are the same. But please don't forget those late disappointments of the past and order your needs at the earliest date possible.

## BY THE WAY ...

Being a building contractor, locally, we are often in position to supply you F.O.B. trucks, and in R.R. car lots, many items in building material. Since the price fluctuates we are not able to quote prices on this in this price list we ask that you write us when you need Pine Framing, 2x4's, 2x6's; Tuliptree and Gum sheathing, siding; Red-oak and Whiteoak hardwood flooring.

Also we are able to supply Box Lumber, Kiln dry, resawed from 4/4 stock in gum and other soft hardwoods. The finished product is about 3/8 in. thick with a smooth surface, random widths and length. This lumber makes a very attractive box, light enough for express shipments, and strong enough for Motor Freight or Railway Freight. Sold in Truckloads or Carlots only at \$40.00 per thousand board feet measure, F.O.B. trucks or car here. Price subject to change without notice.
